FAQ

* **Is there going to be another ENCORE?**

*Yes, the final ENCORE will be presented on **August 12 & 13, 2022.***

* **Is this going to be a special show in any way?**

Yes, not only is it the final of the series but it's the celebration of the 150th year of SJHS. A time for a lot of learning and remembering.

* **What can I do to prepare to be in the show?**

Nothing other than begin to think what you have to offer. Perhaps doing a song or skit from another era (costumes and all). Perhaps putting together an act similar to "As The School Turns" but how it would have been done in the late 1800's or the 1920's. Or maybe just get the rust out of your pipes and prepare to be a part of the greatest massed chorus our stage has ever seen, or put a "ragtime" tune together with your band buddies and show the younger ones how it should be done.

* **But, is there going to be anything "special" about this show?**

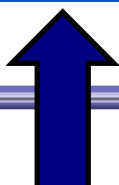

There sure is but we're not going to let all our secrets out at this point but...you'll be completely overwhelmed by some things in the planning stage. Be prepared to be a part of something you'll carry with you for the rest of your life.

* **So what's happening now?**

*A few of us have put together a short (about 20 minute) video that you can watch on your computer that is intended to keep ENCORE in the minds of all our Performing Arts friends. You will see **Janene Bock-Bergen** reprising her rendition of "The Girl in 14 G", and **Kay Stickney-Dine** doing a new rendition of "My Funny Valentine." We have also pulled repeats of the "Showtime Opener" from ENCORE 2018 and the 2016 hit, "Ajax Airlines" featuring **Jeff Hoover** and **Jim Bartalone**. All this and some interesting facts by **Bob Ehrenberg** with a heartfelt "SJHS ALMA MATER" in the background.*

Memories

?

Scott, making nice to Mrs. Kubicki still isn't going to get you a diploma! Just return the music you still have.

A little time in the yard makes the prisoners a little more docile as the day goes on.....Do you like our new uniforms?

So that's what it looks like from backstage!

That act will never make it past Baroda.

I **won't** dance or move that piano one more time!!
