CONNECTION

We are announcing the **CAST** for ENCORE 2022. (See another page). Originally we were going to hold off making a final decision about the show vs. Covid until June 1. However, our thinking has modified and we are continuing under the premise that “The Show Must Go On” unless there’s a mandate or evidence that it would not be safe to do so. We’re hoping that all in the cast will take all precautions so that our friends will be safe.

Along with reviewing the history of SJHS, we will be presenting an **ON-LINE AUCTION** which will feature some “ancient” artifacts from the basement vault of the school, some exciting social events (not all based in St. Joseph) and much, much more. The details of that will follow in future information. A budget for the auction has been set at \$50,000 so don’t expect too many things like McDonald’s coupons for a beverage! Think big and perhaps you have something you’d us to consider putting in the auction.....it’s a tax deduction just waiting to happen.

In addition we are adding an opportunity for alums to take out an **“AD” IN THE ENCORE PROGRAM**. The ad can be an actual ad from your business or perhaps a “memory” ad mentioning your relationship to SJHS or something that you remember with humor or fondness. We’re asking you to include your graduation year as well as the state in which you live (no addresses will be used in an ad other than that unless it’s a business ad). It will be interesting to see how widespread our alums are and from what “era” you are coming from. See page 3 of this newsletter for the actual sign-up for an ad. These ads and sponsorships also carry a budget of \$50,000.

Since this is the final ENCORE, let’s make it really personal and special!
