

NOVEMBER, 2021

Besides working on the *history* of St. Joseph High School we must not forget what's currently happening in those halls of ivy. The Fine Arts Department will be presenting **"THE SOUND OF MUSIC"** on Friday, November 19 at 7:00 and again on Saturday, November 20 at 2:00 and 7:00. The "old folks" did this show twice before, in 1974 with Skip Linn and Lisa Hightower in the leading roles, and then again in 1986 with Rev. Doug Learned and Kim Brown. It promises to be a song-filled evening with fresh new talent. You can get ticket information by going to sjmusicalboosters@gmail.com. Hope to see some of you there.....no humming from the audience,

Again; once more: used by an audience to demand an extra or repeated performance.....

This is what happened in 2014 when someone from the audience of the first ENCORE shouted, "ENCORE"thus we became committed to doing it again, and again, and again. But all good things must end and ENCORE 2022 will be our last response to that audience member from 2014—

Don't forget, we're looking for acts that somehow relate to various historical periods in the 150 years SJKS has had graduates. Skits, period dances, costumes, that's what will make this final **ENCORE** the best!
